Dear fellow readers of *The Urantia Book* and friends of the Global Endeavor,

I am very pleased to announce that on Saturday, October 19, we will resume our webinar series based on topic 8 of *Revelation Revealed*, a topic that is entitled, “Comparing and contrasting the true teachings of Jesus with the traditional tenets and practices of organized, institutional Christianity.”

When phase 4 ended on August 31, panelists were examining ideas expressed on page 2 of my new essay “Living the Real Religion of Jesus” (the second attachment). Participants will resume where we left off, so as to examine, analyze, and comment on the following paragraph:

As we cooperate with and seek to inspire numerous other human beings, we are also seeking to enhance and cooperate with God’s presence within them, as well as his plans for their destiny and the destiny of our tumultuous and troubled planet Urantia. None of these aspirations and efforts can conceivably be constrained or circumscribed by the doctrines or theological theories that swirl around God’s children on Urantia as a consequence of the congealed authority that various exponents of religious tradition propound and proclaim. To the contrary, as the Midwayer Commission tells us, “[the religion of the spirit consists in progressive revelation and ever beckons \[us\] on toward higher and holier achievements in spiritual ideals and eternal realities](#)” [*the Midwayer Commission, 1731:2 / 155:6.4*].

Immediately thereafter, each panelist will respond to the following formal question:

A. We all accept the goal of finding God for ourselves. How shall we do this? Do you believe that there are many possible approaches and, if so, what factors lead you to this conclusion? What steps do you recommend, at least as possible contributions to a personal progression that may be stimulating and inspiring?

During the time remaining, panelists will begin reading and discussing the next section of the essay, which is entitled, “The religion of personal spiritual experience.” In part, participants will analyze and comment on the following incisive remarks of Jesus, as enshrined in section 6 of Paper 155:

Every race of mankind has its own mental outlook upon human existence; therefore must the religion of the mind ever run true to these various racial viewpoints. Never can the religions of authority come to unification. Human unity and mortal brotherhood can be achieved only by and through the superendowment of the religion of the spirit. *[The Midwayer Commission, 1732:1 / 155:6.8]*

PRACTICAL FACTORS

1. Since the recordings of our previous webinars remain available on YouTube, you could watch any or all of them whenever you wish. Here is the link that would take you to the specific location on the Internet:

https://www.youtube.com/channel/UC_6QHPLuABZojhdjE8XJRQg

As a workaround that would help you if you do not have this link immediately to hand, you could log onto the main site for YouTube and then search for “Global Endeavor.” The results would include a reference to our programs, although it may not appear at the top of the list.

2. Here is the standard time line that applies to all our discussions, including the next webinar on Saturday, October 19:

- Pacific Time Zone: from 11:30 am to 1:30 pm.
- Mountain Time Zone: from 12:30 to 2:30 pm.
- Central Time Zone: from 1:30 to 3:30 pm.
- Eastern Time Zone: from 2:30 to 4:30 pm.

Please be aware that the starting time is only approximate, for it usually takes us a few minutes to make the adjustments to the rather complicated software that cause all the participants to be viewed and heard correctly. In relation to our preceding webinars associated with topic 8, live streaming in YouTube began at about ten minutes past the time stated.

Regards, Neal Waldrop.
